Manage Users: Search User

The screenshot shows the 'Clipping Database' application interface. At the top, there is a navigation bar with tabs: Publications, Clippings, Events, Reports, **User**, Full Help, and Logout. The 'User' tab is highlighted with a green box. Below the navigation bar, the main content area displays 'Welcome' and 'AREAS: ASIA_PACIFIC'. A section titled 'USERS - SEARCH USER RESULT' indicates 'The search found 2 results in 1 pages'. A table lists the search results, showing two users: ESTHER GAN and JH LEE, both with the role 'ENDUSER' and area 'ASIA_PACIFIC'. The table has columns for Role, Area, Country, Username, Modify, and Delete. Annotations with green lines point to various elements: the 'User' tab, a help icon (red question mark), the 'Enter User' button, and the 'Modify' and 'Delete' icons in the table.
